

# leave the leaves to US

The City of Frontenac is pleased to announce the return of our curbside Leaf Collection program through Hendel Lawncare, Inc. Collection will begin during the week of October 27th. We have contracted for four separate passes of each street this fall.

The City will continue to provide weekly curbside yard-waste removal through our regular trash hauler. Leaves and other loose yard-waste should be placed in trash cans or paper bags. Also, for leaf collection at times other than the October through December pick-up, leaves must be placed in trash cans or paper yard waste bags at the curb as usual before 7:00 a.m. on Monday of each week.

The leaf vacuuming process will create dust and a small amount of leaf debris. The City will again contract separately for street cleaning. We cannot be responsible for the dust on vehicles or other items of personal property.

- ✿ For fire and life safety issues, **DO NOT** pile leaves in the street or on the sidewalks. Leaves must be placed near the street, but on your lawn.
  - ✿ **DO NOT ALLOW CHILDREN TO PLAY IN LEAF PILES!**
  - ✿ Keep your piles long and narrow; the equipment will reach only 10 feet into your yard.
  - ✿ Please remove rocks, bricks, glass, branches or other hard materials. Such items are harmful to the equipment and may injure an employee during collection. Any pile containing such debris will be passed by.
  - ✿ Every attempt will be made to maintain the schedule, but residents should be prepared for delays due to inclement weather.
  - ✿ Piles blocked with parked cars will not be picked up.
- 

# FRONTENAC'S LEAF COLLECTION SCHEDULE
