Re: Resolution Request – Duty Firearms / Accessories

I would like to request a resolution authorizing the purchase of (26) Glock duty pistols with optic sights, tactical lights, and holsters for \$25,547.42. The items are an approved 2023-24 budget item in the Capital Purchases and Infrastructure Account, and the estimated cost after trade-in of our current duty pistols is \$17,979.42 and within the approved budget.

The new pistols will replace our current (28) Glock duty pistols that were mainly purchased in 2011. The new pistol is chambered in 9mm and will have increased technology with a mounted sight optic and flashlight for improved accuracy.

We received the following price quotes for:

(22) Glock Model 45 MOS with Holosun Optic
(4) Glock Model 26 Gen 5
(22) Streamlight TLR-7A FLEX low-profile rail mounted tactical light
