

Bryon Crump has served on the Frontenac Public Works Commission since July 2017 by appointment by Mayor Martin, and re-appointment July 2019 by Mayor Hatfield.

Mr. Crump served as trustee of Glen Abbey subdivision from October 2012 to January 2016. During Mr. Crump's time as a subdivision trustee, The City of Frontenac started a major portion of the stormwater master project, that included increasing the flow of the creek under the bridge replaced on Glen Abbey Drive.

He is a Vice President at EnviroPAK Corporation, a St Louis manufacturer of custom packaging. Mr. Crump and his wife and two children have lived in Frontenac since December 2008.
