

RESOLUTION NO. 2023-522

A RESOLUTION AUTHORIZING THE MAYOR, ON BEHALF OF THE CITY OF FRONTENAC, MISSOURI, TO ENTER INTO AN AGREEMENT WITH STL MILLING AND PAVING TO PROVIDE STREET PATCHING.

WHEREAS, the City solicited and received bids from four contractors for street patching on multiple city-owned streets; and

WHEREAS, STL Milling and Paving submitted the most responsive, qualified and complete bid in an amount of \$124,750.00; and

WHEREAS, said street maintenance will take place in and will be budgeted in FY 2023-2024.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF FRONTENAC, MISSOURI, AS FOLLOWS:

The Mayor is authorized to enter into a contract with STL Milling and Paving for street patching in an amount not to exceed \$124,750.00.

ADOPTED BY THE BOARD OF ALDERMEN OF THE CITY OF FRONTENAC, MISSOURI, THIS 18TH DAY OF APRIL 2023.

Presiding Officer

Attest:

Leesa Ross, City Clerk

APPROVED THIS 18TH DAY OF APRIL 2023.

Kate Hatfield, Mayor

Attest:

Leesa Ross, City Clerk

CITY OF FRONTENAC

To: Jaysen Christensen
Leesa Ross, MMC/MPCC

Please add to the upcoming Board meeting this request to enter into contract with low bidder STL Milling and Paving 3972 Dunn Road Hazelwood Mo, 63042 For the Summer 2023 Asphalt Street Maintenance Patching at \$124,750.00 This amount is within our 2023-2024 requested budgeted amount for this upcoming year's known Maintenance concerns.

The bidders were supplied the complete bid packet electronically of detailed information. Each bidder visited the sites prior to bidding. The original low bidder had submitted an incomplete bid. Thus, disqualifying themselves.

After researching the bidders, I find that the most responsive most qualified and most complete bid being STL Milling and Paving.

This pavement maintenance project is addressing deteriorated pavement in several locations varying in scope addressing raveling of the surface deterioration, pothole areas, severely cracked locations allowing water into road base, the bid contained No Asphalt Curb Replacements. some pavement work on must be performed on Geyer road in Phase 1 of the Geyer road project area to maintain a decent road surface until the project reaches construction phase for revitalization.

If you have any additional questions, please feel free to contact me.
