

Virginia Eckhoff, family has lived on Steeplechase Lane for 44 years. We raised our two children here and continue to enjoy the community of Frontenac.

I have a Bachelor of Fine Arts Degree from Washington University in 1966. My work experience includes designing and building artistic sets for St. Lois Scene in the early 1980's. I taught adults painting and drawing classes for Oasis for 8 (eight) years.

Prior to retiring, I was a research and design artist for the Clayton Corporation for an arts and crafts product and often demonstrated the project on the Home Network.

I am a painter, often doing "Plein Air" arts works in my gardens. Creating and maintaining gardens is also my passion. Learning about trees and plants indigenous to our area is a continuous pursuit. I am always awed, inspired and respectful of our green space.

I have strong feelings about the stewardship of maintaining the beauty of our community.
