

# CITY OF FRONTENAC

## APPLICATION FOR KEEPING OF CHICKENS

NAME: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

PHONE NUMBER: \_\_\_\_\_

### SUBMITTALS

Supply two copies of the property survey or site plan showing the exact location of enclosure and related fencing. The site plan shall have the signature of two of the trustees (in subdivisions with only one trustee then the signature of that trustee will be required) acknowledging that the trustees have been informed that you are keeping chickens on the property in accordance with the city regulations. The following information is required to be on the site plan:

1. The location of the required enclosure.
2. The size of the enclosure, including the height.
3. The design or sketch of the enclosure. For pre-constructed enclosures, the brochure showing the design of the enclosure should be sufficient.
4. If fencing or wire netting is being used as part of the shelter show the location, type and size of the wire netting or fence.

### DECLARATION

I, \_\_\_\_\_, attest that I have read and understand the Frontenac Regulations regarding the keeping and caring of chickens, sections 215.230 through 215.260 of Municipal Code of Frontenac (ordinance 2013-1708 attached) and agree that I will comply with this section of the code.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

#### *Staff Use Only:*

- All required submittals have been reviewed for compliance to the regulations.
- Trustee acknowledgment submitted.
- Shelter, coops, aviaries or other outbuildings used for chickens are located in the rear yard; do not exceed 100 square feet in gross floor area and not over 8 feet tall.
- Fences or wire netting is not over 6 feet tall.
- Is the coop, aviary or enclosure designed such to prevent entry by vermin, pests and predators.
- Is the enclosure in compliance with the zoning regulation setbacks for accessory structures or buildings or 10 feet whichever is greater.
