

MONTAGE® POOL, PET & PLAY

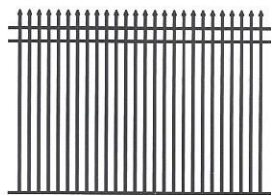

Relax or Splash

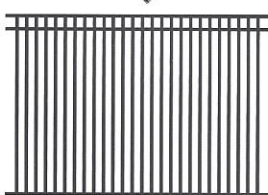

SAFELY & IN STYLE

Montage Pool, Pet & Play provides additional safety for pets and children with 3" airspace between pickets. The 3" airspace of the Montage Pool, Pet & Play gives these panels a more robust appearance, as well as increased panel strength due to the additional picket to rail connections.

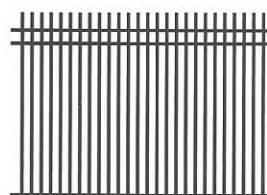

- ❖ *2-rail panels in 3', 3½' and 4' heights, with a standard or flush bottom rail (available in Majestic only)*
- ❖ *3-rail panels in 3', 3½', 4', 5' and 6' heights, with a standard or flush bottom rail (4½' Majestic panels available with flush bottom rail only)*
