

Pat Kilker has served on the Frontenac Public Works Commission since July 2016 by appointment of Mayor Krieg. For the past year, Mr. Kilker has served as the chairman of the Public Works Commission.

Mr. Kilker gained firsthand experience with the Public Works Commission by allowing construction materials and equipment to be stored on his property during a 2011 stormwater project sponsored by the City of Frontenac for the benefit of the Twin Fawns subdivision.

Mr. Kilker is a Vice President with PrescribeWellness, a technology company serving independent pharmacies across the country. Mr. Kilker and his wife Janet have lived in Frontenac since July 2008.
