

Peter Newton joined Public Works in 2019.

He a Vice President with Hilliker Corporation. Newton is a native St. Louisan. He attended The University of Kansas, served in the Navy, and has traveled and taught all over the world.

His real estate experience started in corporate leasing where he was tasked with building the physical, wireless communications networks in the early years of the wireless industry.

Mr. Newton has more than fifteen years of brokerage experience. His knowledge and experience runs the gambit of commercial real estate transactions. He believes that “full service” brokerage means just that. There are no aspects of a deal that he is not prepared to marshal through to completion, on the best possible terms for his clients.
