

WEST CENTRAL DISPATCH CENTER

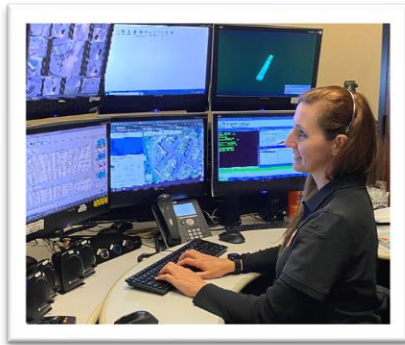

1011 Municipal Center Drive, Town & Country, Missouri

NOW HIRING GENERAL MANAGER

West Central Dispatch Center

GENERAL MANAGER POSITION SUMMARY: Under the direction of the WCDC Board of Directors, serves as the chief administrative officer of the communications center including planning, organizing, directing, and managing the communications center, 9-1-1 System and the supervision of all related operations and personnel. This includes the responsibility of effectively dispatching police/emergency medical services for all member cities. Supervises employees, coordinates dispatcher training, manages and maintains consortium equipment and facilities, maintains budgets and purchasing, coordinates special projects and develops operational policies and procedures to ensure an efficient and effective dispatch consortium. Additionally, the center is in the process of seeking CALEA accreditation and the General Manager will be expected to coordinate the completion of this project.
